An Explanation of the Hurricane-Related Charges on Your Policy Declarations

You may have noted one or more charges from the following listed in the Total Premium section of your Policy Declarations:

- Citizens Property Insurance Corporation ("Citizens")
- Florida Hurricane Catastrophe Fund ("FHCF")
- Florida Insurance Guaranty Association ("FIGA")

We want to take this opportunity to provide you with some background information on these hurricane-related charges and explain why we applied them to your policy premium.

Why Are You Receiving These Charges?

The Florida legislature created Citizens, FHCF, and FIGA to help ensure that Florida citizens continue to have access to affordable insurance. Citizens, FHCF, and FIGA are legally authorized to make assessments in specified circumstances. Citizens makes annual and regular assessments on insurance companies writing most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FHCF and Citizens make emergency assessments on the premiums for most property and casualty lines of insurance in Florida, including motor vehicle and homeowners insurance. FIGA makes regular and emergency assessments on insurance companies writing the kinds of insurance written by the insurance company for which FIGA assumed responsibility. When Citizens makes an annual or regular assessment, and when FIGA makes a regular or emergency assessment, Florida law allows the insurance company that was assessed to recover these charges by collecting (or "recouping") a portion of the assessment from each of its policyholders. When Citizens or FHCF make an emergency assessment, insurance companies are responsible for collecting the assessment directly from their policyholders.

We have applied the charges listed above in order to recover or collect Citizens, FHCF, or FIGA assessments. These charges are displayed on your Policy Declarations, and they will appear on your bill, which we will send separately.

To Whom Do the Assessments Listed above Refer?

"Citizens" refers to Citizens Property Insurance Corporation. This is an organization created under Florida law that provides property insurance to Floridians who cannot obtain insurance elsewhere.

The "Florida Hurricane Catastrophe Fund (FHCF)" is a reinsurance program created under Florida law that provides hurricane reinsurance to private insurance companies, such as

The "Florida Insurance Guaranty Association (FIGA)" is a nonprofit corporation created under Florida law that services pending claims by or against Florida policyholders of member insurance companies which become insolvent and are ordered liquidated.

Why Are We Applying These Charges Now?

Recent hurricane seasons have prompted Citizens, FHCF and FIGA to levy one or more assessments. We are unable to absorb the cost of the recent Citizens and FIGA assessments without jeopardizing our ability to protect our policyholders. In addition, Florida law requires us to collect both Citizens' and the FHCF's emergency assessments.
